Dear Ben

It was great to meet you recently at Dainton Golf Club and hear about your entry into the Wheelbarrow Race. It sounded like great fun and very competitive!

I wanted to thank you for choosing to support Rowcroft through this event and for the **£330** you all raised for us. We are so grateful for your support which makes an enormous difference to us here at the hospice.

At Rowcroft, it is not just about beds, doctors and medicine. We aim to make every day the best day possible for local people living with a life-limiting illness. Your donation could provide a patient or their loved one with a course of Music Therapy sessions. Music can provide a relief from stress and our trained therapist can help guide people through difficult times.

Our care is provided free of charge to patients, families and carers. Our reach extends across 300 square miles of South Devon, from the moors to the sea. Your donation will help us to be there for patients day and night, throughout the year.

With very best wishes and thanks again,
